

Brother, take a seat!

Less than three weeks after being raised to the degree of Master Mason, I was installed as one of the Stewards of our Lodge. The new Junior Warden-Elect appointed me and the other brother who was raised with me as the new Stewards for 2008. Iâ??m honored that the opportunity to begin moving through the chairs has come so quickly! I look forward to being able to participate in the degree work, the business meetings, and to provide cheerful service to the Lodge officers where needed.

The December business meeting was the first meeting I have been able to attend as a Mason, so it was exciting. Though the meeting was likely longer than usual because of the installation ceremony, I found it to be quite interesting. And it was impressive to watch representatives from the Grand Lodge performing the ceremony.

So I look forward to attending the next yearâ??s meetings, getting more involved, and helping out as one of the new Stewards. Iâ??m excited to see where Freemasonry takes me in 2008!
