

Moxi Tip #3: Classic Easter Egg!

Developers are notorious for including hidded code (often called an â??Easter Eggâ?•) that typically displays a list of the developers who worked on the project. Well, the Moxi developers are no different! Read on to see a â??classicâ?• developer credit Easter Eggâ?¦

jimstips.com

Press the Moxi button on the remote and scroll to the â??Settingsâ?• category.

Next, scroll to the â??Terms/Conditionsâ?• card.

Now, press back, next, back, next, back, next

The screen clears and an animation plays displaying developer credits!

Pressing the Moxi button again exitsâ?¦

Have fun!
