Moxi Tip #3: Classic Easter Egg!

Developers are notorious for including hidded code (often called an "Easter Egg") that typically displays a list of the developers who worked on the project. Well, the Moxi developers are no different! Read on to see a "classic" developer credit Easter Egg…

Press the Moxi button on the remote and scroll to the "Settings" category.

Next, scroll to the "Terms/Conditions" card.

Now, press back, next, back, next, back, next

The screen clears and an animation plays displaying developer credits!

Pressing the Moxi button again exits…

Have fun!
