Sony to Suspend Clie Handheld Line

According to a Palm Infocenter article, Sony is â??suspendingâ?• itâ??s Clie PDAs, not releaseing any new models to the US market this Fall. This hits hard to many CLie devotees. Despite the news, the Sony Clie NX topics here on JimsTips.com will continue to exist.

jimstips.com

Unfortunatly, I havenâ??t added much new content simply because I had to move to a Palm Tungsten T3 because of our companyâ??s â??no camerasâ?• policy. At the time, all of the decent high-end Clies had integrated cameras eliminating them as viable choices.
