## Welcome To Jim's Tips!

I'm Jim Barr, and jimstips.com is one of my little corners of the Internet, my voice for all things tech. I love riding on the bleeding edge of technology, and I love exploring new gadgets, services, Web sites, programs, and anything interesting! Here you will find all sorts of tips and information about those things that interest me.

Masonic Tips

April 13, 2018

It is now 10 years later, and I sit here typing this very relaxed and unburdened. I just completed a year of serving as the Most Illustrious Grand Master of the Grand Council of Royal and Select Masters of South Carolina, the fourth year as a Grand Officer in the Grand Council. This year caps 10 years of a very active Masonic life. In the Blue Lodge, I progressed through the chairs and ultimately served as Master of Divver Lodge #349, AFM. Oh, what a wonderful group of brothers! During that year, we had several new members join, we had major roof repairs, and the crowning joy was in a brother stepping up and offering to paint and fresh the lodge room. His family donated paint and supplies, several brothers found church pews to replace the old theater chairs, and in the end, the lodge room had been beautifully transformed. ...

### **Vonage: Revisited and loving it!**

In an earlier post, I moaned about how though Vonage was a great service, it just didn't fit our needs due  
to several significant shortcomings. Well times change, and so have my views about Vonage. We recently  
got a faster,...

## [CR-48 and eyeOS – a match made in Heaven?](#)

[Many years ago, I played around with an “online desktop” site called eyeOS. After playing around with the CR-48, it got me thinking that a virtual, online desktop just might be useful on the CR-48. Remember, the CR-48 is a.](#)

### **CR-48 Important Security Tip**

I love the CR-48's fast bootup, and I absolutely love its instant-on feature: Leave it powered on, close the lid, and when you re-open it, it's instantly on where you left off. This standby mode is easy on batteries, and...

## CR-48 Keyboard Shortcuts

The trackpad on the CR-48 is quite useful with its (somewhat limited and quirky) multitouch capabilities, and a USB mouse can be a God-send for long sessions, but there are many keyboard shortcuts that can simplify or speed up your workflow.

## CR-48 Channels vs Modes

One point that may not be obvious to both new and seasoned CR-48 users is the distinction between “Channels” and “Modes”. You may hear of people running in Developer mode, or you may hear of OS upgrades coming over the...
